

Series 312 & 332 Vinyl Sliding Patio Doors with Blinds Between the Glass

WeatherLok vinyl sliding patio doors with blinds between panes easily tilt & raise with easy-access controls. Now you have blinds on a patio door without the snags or tangles of cords.

Series 312 Patio Door shown, also available in Series 332

The Advantages of Blinds Between the Glass:

Easy to raise, lower and tilt blinds.

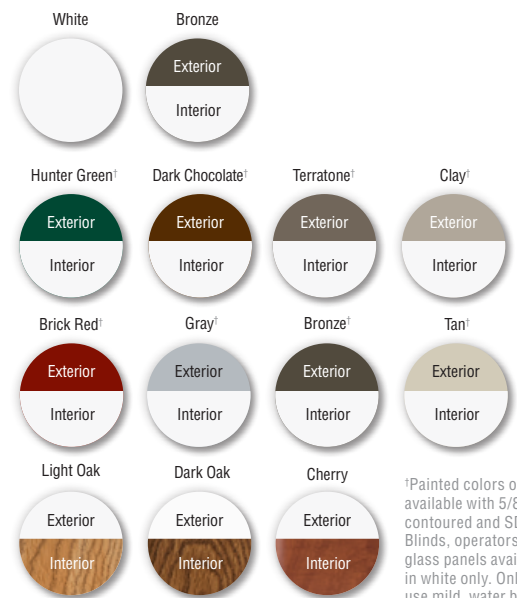

Sealed between the glass, the blinds control light and privacy.

Blinds between glass never need dusting and are safe for pets and children!

Color Options**

[†]Painted colors only available with 5/8" contoured and SDL grid. Blinds, operators and glass panels available in white only. Only use mild, water based household cleaner on painted product and rinse immediately with water. See full cleaning instructions for details.
